Subject: Notice of File Closure, Utah Minerals and Fossil, RB 1 & 2, S/023/0062, Juab County, Utah

Dear Mr. Holfert:

The file for the RB 1 & 2 small mine, S/023/0062, located in Juab County, Utah, will now be closed.

On December 6, 2010, the Division received notification from the BLM that the BLM had closed their file on the project and transferred the bond to S/023/0062 (Solar Wind 1 & 2). On August 29, 2006, the Division conducted an inspection which confirmed the BLM's statement that disturbance was minor and the amount of reclamation needed was negligible and can be fully released. The BLM holds the bond and per your instructions have transferred the bond to the Solar Wind 1 & 2 mine.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Wayne Western at (801) 538-5263.

Sincerely,

Paul B. Baker  
Minerals Program Manager
